

Holiday String Light Recycling

News Release Date

11-13-2023

Decorating for the holidays and found some lights you don't need anymore? Village Hall is recycling string lights and extension cords!

No rope lights, plastic or paper bags, cardboard boxes, packaging materials, or decorations. Thank you for recycling!

sponsored by Ogle County Solid Waste Management Dept.

The recycling container for holiday string lights will be at Village Hall until January 19th, 2024. [For more string light recycling locations, click here.](#) (Sponsored by Ogle County Solid Waste Management Dept.)
